## **Author interview**

Nov 11th 2004

From Economist.com

### **A discussion with Ben Edwards, US Business Editor of *The Economist***

"We're getting a new wave of manufacturing investment in China . . . we're on the cusp of large-scale investments in export-led automobile and auto-parts production. So I think this emphasis we've had recently on service industries has rather overlooked the enormous amounts of investment that are about to go into China."
